Our Back-to-School Membership Drive is Easy!

1. Print and add above both names of the current member or your member pass number to the Membership Drive Form. This will ensure proper credit to the recruiting member.
2. Give them to your friends and family members who are not currently members of McWane Science Center and either bring them or encourage them to come and enjoy a day of learning and fun in our Adventure Halls and Itty Bitty Magic City.
3. Make sure that they purchase a membership and use your Membership Drive Form so you get your discount vouchers (up to \$30 off any basic membership level)!
4. At the end of the campaign, we will mail your \$10 off vouchers to use toward your next membership purchase. These vouchers may also be used to purchase gift memberships.
